DISCUSSION ITEMS:

-Course renewals for 2023-2024 academic year

-Assessment activities for the 2023-2024 academic year

Ted updated members on the assessment process to date. Because of Gen Ed 3.0 effective date of Fall 2025, some Student Learning Outcomes were changed. The committee will be looking at the rubrics and make edits according to the changes. The rubrics will be brought to the Council for approval.

-General Education Revision (Approved by Undergraduate AP&P May 2023)

The revision proposal for Gen Ed 3.0 was approved by Undergraduate AP&P at their May 2023 meeting with an effective date of Fall 2025. Ted will keep the Council updated as departments submit their courses.

There being no further business to discuss, the meeting was adjourned at 4:05pm.
